Hey Chris

The Troop meets every Tuesday from 7-830, with enough notice we can prepare for the AOLs to join multiple meeting dates. We would just need to agree on a date about 2 weeks in advance so the Scouts can prepare.

We always invite the AOLs (and by extension their parent / guardian) to join us on a fall camping trip so they get a real picture of life in a Troop.

T70 is going back to Cub Fun Day this year and your Den is invited to camp with us that weekend - as well as the possibility to join us for a Nov trip near Florence called Feast in the Woods, where a full Thanksgiving dinner is cooked in an outdoor environment - it's phenomenal.

Our next 2 meetings will be planning our back packing trip at the end of Sept, so for coming to a meeting, Oct would be more appropriate as we can plan intros and also camp planning for Cub Fun Day.

Scouts that join us for Camp Fun Day Camping, would be able to spend time with the Troop and participate in CFD activities like archery / BB.

October 16–18: Helping with Cub Fun Day
